

I am against anyone, business, etc. being granted the right to invade my privacy with-out my permission. I am on Indiana's No-Call list because I am intellegent enough to contact people, business's, etc. if I have a need to, and I do not want them calling me to solicit business. If I am doing business with anyone that does this, I will stop all business with them! Please do not allow this measure to pass.
